Inclusion of KAA on EQAR

Dear Ms Mehmeti,

The Register Committee has considered your application of 13/09/14 for inclusion on the European Quality Assurance Register (EQAR).

Your application for inclusion on the EQAR has been approved. Inclusion shall be valid until 30/04/2019.

Please accept my congratulations on your successful application and my good wishes for your work on behalf of the entire Register Committee.

The Register Committee has flagged certain issues for special attention when, in the future, it considers a (potential) application for renewal of your inclusion on EQAR. These issues and KAA's responsibilities in that regard are set out in the attached decision.

I also wish to remind you that KAA is requested to inform EQAR of its own accord about changes to its legal form and status, amendments to its statutes and substantial changes in its process or methodology (see §6.1 of the Procedures for Applications).

Should you have any questions or inquiries, please do not hesitate to contact the EQAR Secretariat.

Yours sincerely,

Eric Froment

Chair of the Register Committee
